PREFERENCES AND RESTRICTIONS

- A student who was rusticated/expelled, or banned from any college/University campus for any reason, shall not be admitted to any class, unless the Syndicate allows admission on the Admission Committee's recommendation.
- The University may cancel the admission of a student who obtained admission through mis-statement, concealment of material facts, or violation of these regulations. The Dean of Faculty / Director Campus (or in their absence, the Chairman/Principal/HOD) is authorized to cancel such admission.
- A student may appeal a cancellation to the Vice-Chancellor within seven days, after depositing Rs. 600. The Vice Chancellor's decision is final.
- The University reserves the right to rectify any error/omission in admission lists without incurring liability; the Dean of the Faculty concerned is authorized to take corrective action.

DETERMINATION OF MERIT

Merit for an applicant who has passed an examination other than BA/BSc or FA/FSc is determined by proportionate conversion of marks to the total marks of the equivalent University examination. For each year lost, 5 marks are deducted from the total marks of the last qualifying exam, up to a maximum deduction of 40 marks (this clause does not apply to in-service candidate seats).

For BSc Engineering admission, 10 marks are deducted per year lost (no deduction for candidates applying in the same year as qualifying, or for those with additional Mathematics in FSc in the current year).

- Only candidates with at least 2nd division (or as otherwise specified) in their Bachelor's degree are eligible for postgraduate admission; the same condition applies to undergraduate admission based on Intermediate or equivalent examination.
- Deductions apply for candidates whose compulsory English component was less than 200 marks: 10 marks deducted for 150-mark English, 20 marks for 100-mark English, and 40 marks for BA/BSc without compulsory English.
- 20 marks are added for NCC/WG and for Hafiz-e-Quran status, each, to marks obtained in the last qualifying examination.
- In case of a tie, merit is determined first by total Intermediate marks, and if the tie persists, by total Matriculation marks added to the BA/BSc (or equivalent) total.

MERIT LIST PREPARATION & DISPLAY

- Merit lists are prepared by the University Admission Cell and displayed on the University website per the annual schedule. Departmental Admission Committees download and post the list on department notice boards.
- Candidates who missed depositing dues from an earlier list may apply for inclusion in a subsequent list (if seats remain), submitted at least one day before the next list is displayed. This facility is available only once per candidate.
- Selected applicants must present original documents to the department's admission committee for verification. For candidates who studied in another University department, conduct information is sought from the relevant DSA/Chairman before admission is finalized.
- Each program has an Admission Committee. For the Main Campus: Chairperson/HOD, an Incharge teacher, a Secretary teacher, and an Assistant/Clerk. For Sub Campuses: Director, Chairperson/HOD, Secretary, and Assistant/Clerk. For Constituent Colleges: Principal, Chairperson/HOD, Secretary, and Assistant/Clerk.
- After document verification, the committee issues an electronic challan for dues, payable at the nearest HBL branch; completing this is the applicant's responsibility.
- Candidates not previously registered with IUB must produce an Original Migration Certificate/NOC from their prior University/Education Board before classes commence, or risk cancellation of admission.
- A consolidated list of admitted students is forwarded to CMS within 15 days of the close of admission, for the Dean, Registrar, Treasurer, and Director Student Affairs.

CANCELLATION AND RE-ADMISSION OF EXISTING STUDENTS

- Students (annual or semester system) with less than 80% attendance in any course are not allowed to appear in that course's examination. At least 80% attendance of total lectures (theory and practical combined) is required.
- Under the annual system, a student who misses at least 50% of lectures/practicals/seminars in a paper during a calendar month (without valid reason, as determined by the Chairman) is struck off the rolls. The Dean/Director Campus may re-admit such a student if they apply within 7 working days of being struck off, and the Chairman is satisfied the absence was beyond their control with an undertaking of future regularity.
- The Vice-Chancellor, on recommendation of the Chairman and Dean/Director Campus, may re-admit a student whose admission was cancelled for prolonged absence, if the student applies within 40 days of cancellation under similar conditions.

Note: Fees/dues already deposited are not refunded upon cancellation under any circumstances. Re-admission fees are Rs. 500 (if applied within 7 days) or Rs. 1000 (if applied within 40 days); only one re-admission is permitted per study program.

PAYMENT OF DUES

- All University dues, including hostel charges, must be paid by the notified dates; delay may result in names being struck off.
- Already-enrolled students must deposit fees/dues including hostel dues by the date notified by the Treasurer/department.
- Late payment fines: Rs. 1,000 (within 10 days late), Rs. 2,000 (within the next 10 days), Rs. 4,000 (within a further 10 days). After 30 days of the due date, admission is cancelled; reinstatement requires Chairman/HOD recommendation and an additional Rs. 4,000 fine.
- Dues paid for admission are neither refundable nor transferable, except where a candidate deposits fees in more than one department/class and applies for a refund for the department/class not chosen, within fourteen days of the final merit list or admission date.
- Students needing hostel accommodation must deposit a full year's hostel fees/dues along with University fees at admission. If accommodation cannot be provided, hostel fees are refunded.
- Hostel facility is available on merit for morning class students only; evening program students are not entitled to hostel accommodation, though female evening students may be considered if seats are available.

FOR PHARM.D., BEMS & BHMS STUDENTS ONLY

- A student who fails to qualify all papers in a class across three consecutive chances (availed or un-availed) is removed from the department's rolls.
- A student may be promoted to the higher class on depositing full fee, but cannot sit the higher class exam unless all lower-class papers are passed.
- A student may be provisionally promoted on full fee payment, contingent on passing at least 50% of lower-class papers in the annual examination; failure to meet this results in automatic drop from the higher class.
- Promotion to the higher class occurs only after the first annual examination.
- A student who passes the lower-class exam after promotion cannot sit the higher-class exam in the same year's 2nd annual (supplementary) examination.

MISCELLANEOUS

- All difficulties and hardships related to admission are resolved by the Admission Committee, whose decision is final; it may issue directions to departments regarding implementation and interpretation of these regulations.
- A student admitted in the Evening program cannot be shifted to the Morning program after the admission process is complete.
- These regulations supersede all previous admission regulations.
- In case of contradiction between general admission rules and semester rules, the semester rules prevail.
